

The event is as easy as pie:

Shoot a 3 min, 20 sec Super-8 film in one take and you're done! No movie will ever be easier to make!

DATE / DEADLINE:

DO WHAT:

Friday, August 13
by 4 pm

Reserve your spot by submitting your completed entry form (below) and paying the \$50 entry fee BY THIS DATE AND NO LATER – but don't delay, because there are only 25 available spots for this program and they are assigned on a first come, first served basis. **MANITOBA RESIDENTS ONLY.**

NO EXPERIENCE OF ANY SORT IS NECESSARY TO PARTICIPATE!

- ➔ The \$50 entry fee includes (a) a cartridge of film, (b) use of a Super 8 camera for one day, (c) processing services, and (d) a video transfer of your completed film.
- ➔ You can provide your own cartridge of film for this project (provided it is one of the stocks listed below – NO KODAKROME!). If you choose to do this, then you pay only \$35 to guarantee your inclusion as one of the participants and for processing/transfer services.

Friday, August 20

Confirmed participants can pick up their film cartridges starting this date.

Friday, August 20 to
Thursday, September 9

SHOOT YOUR FILM between these dates. Most participants shoot during a half-day time span. Some take longer, some shorter. There's no wrong way to do this.

Friday, September 10
by 4 pm

Submit your exposed film back to the Winnipeg Film Group by this deadline. All participant cartridges will be shipped together as a package to the lab and will be spliced together for screening prior to coming back to Winnipeg – and it is for this reason that no late inclusions can be permitted.

- ➔ **You must inform us** of the title of your film and confirm director(s) names at this time.
- ➔ There will be no opportunity to physically edit or preview your film, prior to the event screening. What you shoot is what will be screened.

Wednesday, September
29 by 4pm

You can submit a soundtrack on CD by this date, to screen with your film. Most participants do submit a soundtrack of some sort, be it with music or audio art. This is an optional step, however.

All completed films will be screened as part of WNDX: Sunday, October 3, 2010

Please register by Friday, August 13th at 4 pm
